NAI NETWORK: NAI is the largest commercial real estate managed network in the world with over 300 offices worldwide in over 40 countries. NAI completes over \$30 billion in transactions annually.

OWNERSHIP: NAI Miami is a partnership-based business making business decisions by producers, for producers. NAI Miami opened its doors in 1997.

COMMISSION SPLITS: We have highly competitive commission splits.

SUCCESS: We are shattering records in all of the markets throughout the state of Florida. Our NAI Offices rank in the top 5.

FULL SERVICE: NAI Miami services all facets of commercial real estate including office. This includes providing services in retail, office, industrial, land brokerage, tenant representation, property/asset management, investments, development, and consulting services.

CAREER DEVELOPMENT: Our principals' job are to assist in developing your career to a principal level. At no cost to you, every partner is committed to attend any meeting you request to support you in every aspect of a deal. If you desire their help throughout the deal, you mutually set the parameters.

TEAMWORK: Individual success is obtained by working together as a team. The unique approach of team building in our office helps you to achieve strong objectives and through supporting each other, reaching individual and company goals.

OUR STAFF: We pride ourselves in the excellence and "service first" attitude of our staff, many of which are licensed real estate professionals. Our dedicated employees support our sales associates in all aspects of business.

FUN & FAMILY: We believe family is extremely important.... Family is first/ Our motto is "work hard—play hard". We also believe in having fun!

Build on the power of our network.™
